

Pete

Pete is a sweet 2 year old Catahoula/Hound Dog mix who loves people, big or small, and gets along well with other dogs cats and even chickens! He was found on the grounds at a local shelter, so we can only assume that someone abandoned this great dog (their loss is our gain!) He's quite a gentleman--well mannered, leash and kennel trained, and likely housetrained as well.

Pete's foster family says that he's a happy boy who loves playing with toys and his foster fur-siblings as well as kids of all ages. He loves the water, going on walks and playing fetch. He is quiet natured, loving and thrives on human companionship and is so ready to be part of a loving family.
